

## Church Scholarship Application

Fletcher Academy may match church funds up to \$2,000 depending on recognized financial need to sponsor a student enrolled at Fletcher Academy.

We believe it is important for the parents, the student, and their church to all be involved in helping finance the student's education. Fletcher Academy's philosophy is "no qualified student will be turned away because of finances" provided the student works and the parents and church do their fair share.

We require this application be completed and signed by either the Pastor or the Church Treasurer before this amount can be included in the student's Financial Plan. If you have any questions, please contact us.
