What type of scholarship will this be:

Thanks to our alumni family and friends who have provided scholarships in honor of someone special. When you create a scholarship at Fletcher, you give the gift of education and provide critical assistance for talented students who otherwise could not afford to attend. While supporting today's students, scholarship gifts can also honor those who have made a difference in your life. Named scholarships can pay tribute to a loved one or special faculty member, preserve a family name, or highlight a company presence. Scholarships connect the past, present, and future! Each scholarship gift is unique because it is based on your wishes.

Scholarships are awarded by a special scholarship committee that works to ensure the guidelines and intentions of the donors are respected. The scholarship awards are published and announced at homecoming weekend each year, as well as listed on our website.

Scholarship Examples:

A list of our existing scholarships is online as a guideline or in case you would like to support one of our existing scholarship funds instead of creating a new one:

Scholarship Donor Benefits:

- Meeting scholarship recipient(s) each year at homecoming / alumni weekend.
- Sharing a brief personal or family history and inspiration for your gift, so your story will live on with your investment.
- The opportunity to name a fund to celebrate a family member, friend, or beloved faculty member, or bring honor to a business or organization.
- Being thanked personally by the students who receive the scholarship.

Note of Caution: There are laws about awarding scholarships. For example, you shouldn't attempt a scholarship in which your family member is guaranteed to win. Generally, we want to ensure that recipients are selected in an objective and non-discriminatory basis. Those responsible for selecting scholarship recipients must not be in the position to derive an economic benefit-directly or indirectly-from the scholarship process, and relatives of applicants should not serve on selection committees. Relatives of donors are ineligible to receive scholarship grants from donor-established scholarship funds.

Thank you for considering a scholarship gift and investing in our collective future. If you would like more information on how you can join our family of donors, or if you have any questions, please contact us:
