Our Mission:

We are a community of believers operating schools, ministries, and businesses in harmony to educate youth to have a transforming influence on the world as disciples of Christ.

Our Vision:

To graduate students with the highest standard of intellectual and moral culture and thus be the leading sustainable educational model and resource for Christian leaders.

Fletcher Park Inn's Mission:

To be a friendly and caring independent retirement community while supporting Christian education at both Fletcher Academy and Captain Gilmer Christian School.

Why (Supports Mission & Vision in the following ways):

- Fletcher Park Inn is a place to "Live with Purpose" in an independent retirement community near to vibrant, active church families, a large AdventHealth community presence including a regional hospital across the street, and the Fletcher Academy Campus, offering physical, mental, social, and spiritual Food for Life. We desire to create and maintain a community of residents who are engaged stakeholders of our mission and ministry, where each resident is able to fulfill a greater purpose by being involved with the schools, ministries, and businesses of Fletcher Academy, Inc. Ministries. The community itself should be a haven which provides safe, affordable, attractive spaces that support body, mind, and spirit by offering a dynamic, fulfilling, peaceful, and compelling place to visit, spend time, and call home during a special part of life.

- We also seek to fully utilize a vitally important ministry owned by the organization to offer a strong value proposition (Villas, Apartments, and Rentals) where residents are invited to “Live with Purpose.” This supports the practice of good stewardship of our land and building assets to generate revenue that supports the overall mission and sustainability of our organization.
- Fletcher Park Inn represents a vital part of a Fletcher Academy education, which features an integrated work-study program as an essential component of its curriculum. Students work nearly everywhere on our campus, building practical skills and developing a strong work ethic as they are trained and mentored by caring, knowledgeable, patient, and kind supervisors who help to encourage each student on their teams to “Find your Purpose.”
- Fletcher Park Inn is home to our residents during a special time of life. Housekeeping services are one of the critical “touchpoints” which offer an opportunity to differentiate our Christian values in our community in a tangible way. Housekeeping is not viewed as merely “a job” here; being a Community Housekeeping Specialist is a ministry, not only in providing cleanliness, but also in being a leader/mentor in the student work program and a caring heart for residents’ needs and desires. The right team fit will have a strong desire for serving our Creator God, display attributes which emphasize order, cleanliness, and uncommon attention to detail, a Christlike love of people of all ages and walks of life, a respect of our residents’ preferences for their closest environs (their homes), and a passion for working alongside young people.
